## Neomi Castro CMASAS Class of 2022

Neomi has dedicated her time since graduating into the world of dog sitting, not just as a financial stepping stone but as a pursuit aligned with her dreams of working with and caring for animals while sharing an apartment with her best friend. She has been enjoying this time of learning and self-discovery.

Reflecting on her time at CMASAS, she fondly reminisces about the many opportunities the school offered for connection. From engaging meetups in person to a diverse assortment of clubs, CMASAS became the place where friendships were forged.

CMASAS played a pivotal role in helping her discern her unique learning style, ultimately illuminating paths post-school that were previously undiscovered. Her teachers' unwavering support allowed her to overcome challenges, ultimately enabling her to graduate even when the path seemed daunting at times.

The care and concern displayed by everyone at CMASAS left an indelible mark on her. The educators didn't just impart knowledge; they showed genuine interest in her well-being and progress, always ready to offer a helping hand when needed. It's this compassion and support that she credits with not only shaping her academic experience but also fostering a sense of community that extends far beyond the classroom.

As Neomi continues her journey, she carries with her the invaluable lessons learned at CMASAS - a commitment to lifelong learning, a passion for animals, and the resilience forged through a supportive community. With an eager outlook on life and a clear vision for her future, she strides confidently toward her next adventure, grateful for the foundation laid at CMASAS that has empowered her to carve her unique path in the world.
