Impressive Class of 2024 Stats

CMASAS Educator and Support Team Member of the Year

Every year we give away two very special awards, Educator of the Year and Support Team Member of the Year. Each award is voted on by our entire staff. The Educator of the Year award is for our instructional staff and is centered around giving the best care to our students and families that directly reflects our personalization model. The Support Team Member of the Year award is for leadership and administrative team members and reflects someone that not only cares for our students and families in indirect ways, but also shows ongoing support and care towards our entire staff. We are excited to announce that **Denise Kuester** (MS Course Instructor) has been selected as the recipient of the 2024 Educator of the Year Award and **Justine Rauterkus** (Assistant Executive Director) the recipient of the 2024 Support Team Member of the Year Award. Congrats to these two amazing individuals, we are grateful to have them part of the CMASAS team! Here are videos for both Denise and Justine with some special words from our Faculty.

Counseling Updates

Heidi Fox
Director of Counseling

All CMASAS Students; I hope you can take some time off during the SUMMER Break; rest, recuperate, and recharge! It's important to take care of your mental health & well being, which can mean a break from school/academics. That way, you are ready to "get back at it" when we return in July!

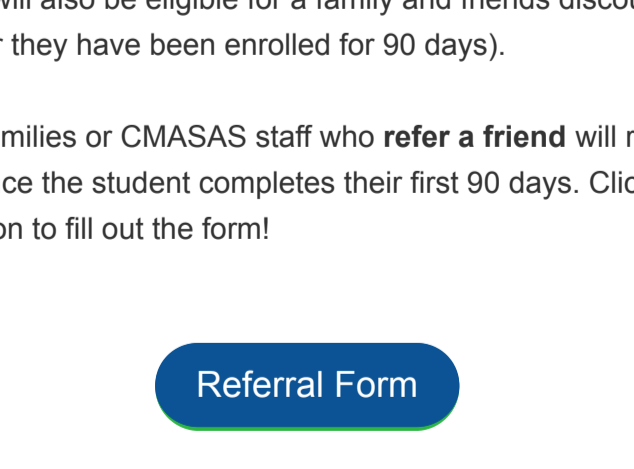

Class of 2024 Seniors: As a reminder, if you need a final transcript for a college, you will now have to wait until after Summer Break (which ends on July 15). Once you finish out your courses, it does take us a day or two to finalize everything. You can order a transcript through Parchment here: <https://www.parchment.com/u/registration/237844/account>

I will also upload a final copy into Common App and Slate.org if you are signed up for those two online application services.

Students/Parents: Is your student ready to "move up" to the next grade level? Please be in close contact with your PEC to make sure you are ready for any big transitions that may be occurring. If you ever have concerns or questions about your child's academic situation or progress, you can always reach out to me, as well.

Happy Summer Break!

Friendly Reminders...
